Mr. Brian Weddel  
Newmarket Pre-Cast Concrete Products  
20 Victoria Street North  
P.O. Box 1179  
Uxbridge, ON  
L9P 1N4

Dear Mr. Weddel,

The Ryerson University School of Occupational and Public Health expresses its gratitude to you and your staff for organizing and co-ordinating our recent student field excursion to your Uxbridge facility.

The approximately 150 second year students found the event to be very beneficial. The information provided including the displays and sample products were extremely helpful. This type of venue provides a visual, hands on experience to enhance the theoretical concepts they learn during lectures.

The students commented very positively on how knowledgeable and professional all representatives were. We appreciate all of the time and effort you and your team have provided over the years that we have attended your facility.

Your continued support of future industry professionals and the Ryerson University School of Occupational and Public Health is greatly appreciated.

With thanks for your hospitality,

Karl Kiproff, BAsC, CPHI(C), I/CBO-SS  
Instructor  
Ryerson University  
School of Occupational and Public Health
